Growing Smiles
FUNDRAISING

Spring Fundraising

Yes! You can still fundraise and stay safe during the pandemic. Collect orders and payments online, offer curbside pick-ups and bring your community together, while apart.

Register before March 15 to be entered into our Early Bird Draw for \$200!

Deliveries between mid-April and early June.

Marigolds
Succulents

Frequently Asked Questions

1

What are my first steps?

Once you are registered you will need to start planning your campaign. Start by picking a delivery date and a length of time that you would like to generate sales. A successful fundraiser usually needs to run for 2 - 3 weeks. Deliveries run April to June. Assemble your team, set up your website, hand out forms, and start selling!

2

Is there a delivery fee?

There is a small charge for all orders that are under the minimum requirement. There is no delivery fee for orders that are above the minimum order value. The charge varies by location (usually \$50 to \$100).

Please check your pricing sheet for exact amounts.

3

What is my profit?

We offer a unique opportunity to choose your own prices to offer your customer. So profit margins vary quite a bit depending on what you charge your customer. We do have suggestions but it is ultimately up to you!

4

Can I collect payments online?

Yes. When you register you will be set up with a free team website. From there you can choose the methods of payment you would like to receive from your customer. Cash, e-transfers, cheques and PayPal are all collected by you. Credit card payments are also available and are collected by us if set up.

5

How do credit cards payments work?

Credit card payments come right to us and we cover the processing fees. All credit card payments received through your team website will be deducted from your invoice at the end of your fundraiser. If you collect more cash, cheque or e-transfer money then credit card payments, you will owe us at delivery. If you collect more credit card payments then other methods, we owe you a profit cheque at the end.

6

Are there multiples requirements?

Yes, in Spring, the 12" items need to be ordered in multiples of 9, as a group. Ordering in multiples will ensure the safety from damage during transportation.

For more clarification, please see the Pricing Sheets link or contact your fundraising representative.

Testimonials

“Growing Smiles was easy to do! The products were top quality and the Growing Smiles Team were excellent to work with.”

Hospitals and Community Day Care, Edmonton, AB

“This fundraiser had easy-to-use instructions and so much help available! As the coordinator I didn’t have to put a huge amount of time into paperwork. Great experience! We’ll be doing this again.”

Grasslands Hoesteaders 4-H Club, Merrit, BC

“We always have a successful fundraiser. The plants sell themselves, and past purchasers are our best advertising team. Everyone is impressed with the quality. Thank you for making our fundraiser a success.”

St. Theodore School, Theodore, SK
