

Spring

WHO DOESN'T
LIKE FRESH
STRAWBERRIES?

Strawberry Hanging Basket

These Everbearing strawberries will produce strawberries all summer long and give you motivation to water everyday.

Water thoroughly until water runs out the bottom.

Strawberries require full sun.

Fertilize once a week with a water soluble fertilizer such as Miracle Gro and supplement every 3 - 4 weeks with our Flower and Veggie 10-15-19 fertilizer.

Strawberries prefer well draining soil. To maintain and promote growth, be sure to harvest berries promptly.

Place outside when temperatures reach about 10° to 15°.
