Frequently Asked Questions

1 What are my first steps?

Once you are registered you will need to start planning your campaign. Start by picking a delivery date and a length of time that you would like to generate sales. A successful fundraiser usually needs to run for 2 - 3 weeks. Deliveries run november to mid-december. Assemble your team, hand out forms and start selling.

2 Are there multiples requirements?

Poinsettias must be ordered in multiples of 6 by colour, because they are shipped in boxes of 6. you may need to round up or down within colours when placing the team's final order. We strongly recommend that you order a few extras just in case you receive late orders or there are damages/shortages during delivery.

3 What are the team websites?

This is a great portal for marketing, collecting sales, and managing your fundraiser. Use it to keep track of orders, payments and notifications. Your team's final order is submitted online here whether you use this resource for your fundraiser or not.
NEW! Customers can pay via credit card for individual orders.

4 Is there a delivery fee?

There is a small charge for all orders that are under the minimum requirement. There is no delivery fee for orders that are above the minimum order value. The charge varies by location (usually \$35 to \$55). Please check your pricing sheet for exact amounts.

5 How do I pay?

Payment will be required at the time of delivery. Please pay the exact amount owing as shown on your order confirmation. Cheques or money orders should be made payable to "Growing Smiles Fundraising." Unfortunately we are unable to accept Third party cheques, cash or credit card payments.
